EDUCATION

Generation Junior Web Developer Program

- Participated in an 11 week Junior Web Developer program spending over 350 hours learning how web development works: from the fundamentals of JavaScript, programming fundamentals, developer tools, and the behavioral skills and mindsets needed to be successful as a web developer.
- Took the lead on a project using HTML, CSS, and JavaScript to build a responsive website that creates a to-do list.

WORK EXPERIENCE

MTZ Solutionz | April 2022-March 2026

Data Processor

- Created, reviewed, and uploaded an average of 60 reports per week detailing inspection results and actions that are needed to be compliant with state regulations.
- Maintained and updated records and spreadsheets on Google Sheets to ensure accurate and timely entry of data regarding fire alarm inspections for over 4,000 properties.
- Interacted with clients and portfolio managers via email to request additional information when necessary.

ProWeb Avenue | January 2025-May 2025

Jr. Web Developer

- Translated mockups and designs into functioning websites that could be tailored to individual clients, writing additional clean code and editing templates on Wordpress using HTML and CSS.
- Collaborated with a senior web developer to design, edit, code, and troubleshoot 3 website projects.

Bergen English | January 2020-August 2022

English Tutor

- Conducting regular online classes for over 50 students during one-on-one and group classes.
- Recording concise and descriptive notes in student files in order to convey progress to parents and update the computer system.
- Developing rapport with students, leading to over 20 contract renewals.

Golden Voice English | July 2017-October 2021

English Tutor

- Learned three different kinds of software to facilitate online lessons, including Zoom, ClassIn, and Microsoft PowerPoint.
- Taught an average of 30 classes per week, each 25 minutes long.
- Contributed to team meetings and shared suggestions to enhance learning content, many of which were implemented.

Kumon Learning Center of Bentonville, Arkansas | September 2015-March 2017

Tutor

- Assisted in tutoring over 30 children in Mathematics and Reading subjects, leading to the majority increasing school grades by 10%.
- Created a schedule of students entering and leaving the classroom, and helped students to complete class work on time.
- Trained 4 newly hired tutors to grade homework and classwork, improving grading time by 20%.
